A Great Mistake.

A record discovery is that he clacks. dizzlness, calliness, confusion of the mind, etc., are d.e to derand ment of the nerve centers which supply the brain with nerve force; that ladigestion, dyspepsia, neuralgia, wind in stomach, etc., arise from the derangement of the nerve centers supplying these crgons with nerve fluid or force. This is likewise gens with nerver true of many diseases of the heart and lungs. The nerve system is like a telegraph system, is will be seen by the accompanying rat. The little white lines are the nerves which

Ordinary physicians fall in reard this fact: physicians tall research this fact; instead of treating the new color of the discolar arising the fronthey treat the part affected. Franklin Miles,

M. D., LL. B., the highly celebrated specialist and

of many noted the arises on the latter subject,
long since realized the truth of the first
statement, and his Restorative Nervine

The silver wing of the Republi can State Convention unanimously adopted the following platform: The convention enderses and adopts the platform of the Repub-icas State Convention, held at Va city on the 30 of April last, as fol-

Resolved, That we condemn the Republican party of the Eastern states and the a ministration of President Harrison, insofar as they have failed to accomplish the complete remonetization of silver, and to enact laws providing for the free and unrestricted coinage of that metal.

Resolved, That the restoration of silver to the place it suspied previous to the passage of the Mint Act of 1873, is essential to the prosperity of the country and paramount to all other political considerations. The legislation which robbed silver of its money functions and denied to the owner of sliver bullion the right to have the same coined into money upon the some terms and conditions which apply to the coinage of gold. reduced the money of ultimate redemption or payment, about onehalf, and enabled the owners of money and obligations payable in money to monopolize the coin of the commercial world.
